CAF POA version 2	Jan 2018	Approved by: CAFPOA	Pages: 1

ERF number:

1. Road Reserve adjacent to Private Property

The installation and maintenance of landscaping and irrigation on the road reserve areas adjacent to private erven are the responsibility of the Property Owner to implement according to the provided professional landscape architect’s design and the maintenance there-off.

2. Completion of Landscaping Works

The Property Owner hereby commits to and state explicitly that despite taking occupation or allowing any other person to take occupation before such time as the installation of landscaping has been completed as per the approved plan, due to restricted water use legislation, all landscaping on the Road Reserve/Verge/Erf will be completed by the Property Owner at such a time as the restrictions allow.

Landscaping will be considered incomplete until the CAFPOA has issued a Certificate of Completion in respect of such landscaping.
