A. INTRODUCTION

1 The Estate Rules have been established in terms of the Constitution of the Clara Anna Fontein Property Owners Association (CAF POA). The Trustees may from time to time amend or add to these Rules, as may be deemed necessary to ensure the happy and orderly co-existence of residents under authority of a special resolution from the CAF POA as prescribed by the CAF POA Constitution.

2 These Rules are binding on all residents of the Clara Anna Fontein ("the Estate"), as is any decision taken by the Trustees in the interpretation thereof. The registered owner of each property is responsible for ensuring that members of their families, their tenants, visitors, friends, employees, and contractors abide by these Rules and co-owners of any erf shall be jointly and severally liable for the due performance of any obligation to the Association.

3 The main objective of the CAF POA is to provide a high-quality lifestyle for Members and/or their tenants, and the purpose of these Rules is to protect this lifestyle. Harmonious community living is achieved when Members use and enjoy their private property as well as the communal areas and amenities of the Estate, whilst generally considering all occupants of the Estate.

4 In the event of annoyances or complaints, the parties involved should attempt to settle the matter between themselves, exercising tolerance and consideration. In instances where problems cannot be resolved, the matter should be brought to the attention of the Trustees or be referred for arbitration and settlement.
